HINA KAULA (PROPHET) PROGRAM FOR 2009

*Many Hawaiian KAHUNA humbly
call themselves Kaula.*

On June 22, 2003, after a 4 hour ceremony, I was officially initiated as a Kahuna by Native Hawaiian Kahuna Lokahi from the Big Island. A centuries old story has been passed down through his ancestors that a fair haired wahine(woman) would take a leadership role in his tradition. When he saw my picture in 2001 and read my story he says he knew that it was me! I am greatly honored by the faith and trust he and his ancestors have placed in me. I pray to be worthy of this position. I was given the name Kahuna Ho'okahi means Kahuna of Oneness.

With permission and the support of Kahuna Lokahi I am offering an Hina-Kahuna Kaula Program. Kaula means prophet - a true light carrier. This Kaula Program would consist of separate seminars, ending with the Kaula Course offered in December '09, and would train and certify you in ancient skills that I have adapted to serve the light now and that relate to ARCH.

With these seminars you will have two choices. Either take just the classes described below that you are interested in, or if you take all of them plus the Kahuna Arch Healing Seminar then you can apply to the Kaula Course. This should be looked upon as a degree program that will give you International recognition as a Hina Kaula. I believe that it will have the same kind of recognition as graduating from the Barbara Brennan School.

The 2007 Kaula Seminars were amazing - find student quotes below.

- Visit and get information from deceased friends and relatives from the other side in the tradition of a Hawaiian Kahuna Nina'unhane (One who speaks to spirits).

Student Quotes

"I have taken the (Kahuna) ARCH Healing class and the (Kahuna) ARCH Intuition class. I'm not a practicing healer or intuitive. I take Laurie's classes so I can help myself and my friends with just these two classes. I really can do readings and help people with their health. I intend to retake any classes that happen to come to my state. The reason? To be in the presence of Laurie for a weekend is one of the most divine experiences I have encountered. Her radiance is profound and uplifting." Diane L.

"The Kahuna ARCH Intuition class opened doors I did not even know were there! By the second day I successfully got accurate information for my reading partner. I highly recommend this course, even if you don't (want to) become a professional psychic." Karen, Columbia, M.D.

"Thank you (Laurie) for opening these "gifts" that I've had always but was not aware of!" student

"Laurie makes everything simple and easy. She empowers us to do what we have come to learn in a very orderly process with tools we can take home and use. It's so much more than your money's worth!" student
